OKC man gets 3 years for machine gun conversion

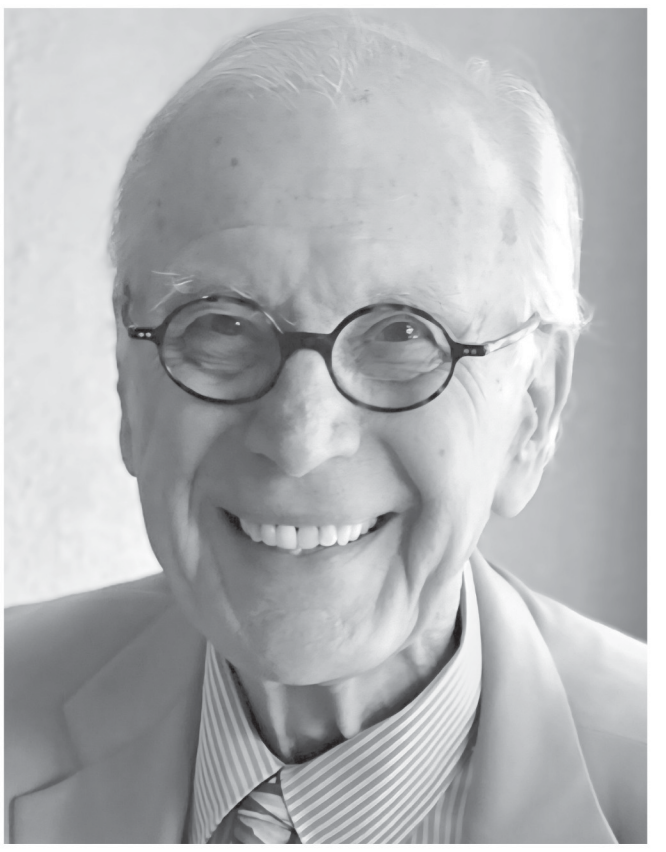
Catrayvion Shamear Dean Houston, 19, of Oklahoma City, has been sentenced to serve 37 months in federal prison for unlawful possession of a machinegun, announced U.S. Attorney Robert J. Troester.

According to public records, on April 1, 2026, officers with the Oklahoma City Police Department were searching for Houston because he had an outstanding felony warrant. Officers located Houston in a parked vehicle at a fast-food restaurant and ordered him to exit. Houston exited the vehicle but fled on foot before being subdued by officers. Law enforcement recovered from Houston's pants a handgun equipped with a machinegun conversion device (MCD), commonly known as a "switch." When installed, MCDs convert semiautomatic weapons into fully automatic machineguns, and possession of the devices violates federal law. A search of Houston's cell phone revealed videos of him firing the handgun with the MCD attached, along with other pictures depicting Houston possessing this firearm and others.

On April 20, 2026, Houston was charged by Information with unlawful possession of a machinegun. Houston pleaded guilty on May 11, 2026, and admitted he knowingly possessed a handgun modified by an MCD.

Letters from Dale

Thankful for Oklahoma



C. Dale German
dalesletter2u@outlook.com

November is Homecoming at Southern Nazarene University, and a few of us alums are singing in the orchestra choir in SNU's Music Department's presentation of Roger and Hammerstein's musical, Oklahoma!

Performances are in Herrick Auditorium at 7 p.m. this Thursday and Friday nights November 5-6, Saturday day Matinee November 7 at 2 p.m. Tickets at snu.booktix.com.

When Emmalyn and I left California in 2007 to retire in Bethany, we crossed the border on I-40 from Texas into Oklahoma playing our Oklahoma! CD and felt we were coming home … to a . . . "brand new state! Gonna treat you great. . . where there's "plenty of room to swing a rope, plen'y of heart and plen'y of hope… where the wind comes sweepin' down the plain. . . . Where the wavin' wheat can sure smell sweet. When the wind comes right behind the rain."

Our hopes danced with the music to, "Cats and dogs 'll dance in the heather. Birds and frogs 'ill sing all together, and the toads will hop. The wind 'll whistle as we rattle along, the cows 'll moo in the clover. The river will ripple out a whispered song and whisper it over and over."

Our spirits sang, "Oh, what a beautiful mornin', Oh, what a beautiful day! I got a beautiful feelin' everythin's goin' my way."

We could have retired anywhere. We talked about other places. Everything may be up to date in Kansas City, but "They've gone about as fur as they c'n go!" But in Oklahoma, "Ev'ry night my honey lamb and I, (can) sit alone and talk and watch a hawk makin' lazy circles in the sky."

We came back to Oklahoma to live out the rest of our lives after 37 years since graduating from college here, because after living in other places coast to coast around America and the world, Oklahoma's family culture and wholesome living drew us back.

People are friendly here. Health care is exceptional. Churches are plentiful. The economy is affordable. Four seasons of changing weather shivers-me-bones in the winter, springs me forward in the spring, warms my soul in summer, and autumn oughta bless anybody anywhere.

After two months of rehearsing Oklahoma! with college students' vim and vigor, I just had to say this week, I'm so, so thankful for America and especially the state of Oklahoma.

This is November and having so much to be thankful for in this month of Thanksgiving, I'm in the mind to write every week this month about what we've got to be thankful "fur."

I'll close with something else I'm thankful for. In Oklahoma when we part ways, we don't say, "See ya later." We say, "Yall have a blest day."

The Southwestern District covers a five-state area with the goal of preserving and promoting barbershop harmony through the more than 30 barbershop chapters across Arkansas, Louisiana, Oklahoma, Texas, and New Mexico. The VSO (OKC Chapter) is the third oldest chapter of the BHS and has been in existence since July 6, 1938.

Greg Rogers, a resident of the Bethany/Warr Acres area for the past 10 years, serves as the music and artistic director for the VSO. A lot is involved when it comes to preparing a chorus for district competition. During the process of music selection, Rogers had a piece of music specifically arranged for the VSO. The chorus then spent four to five months learning and adding spin to it. And finally, bringing coaches to help with sound and choreography.

Coaching is equally crucial when preparing for district competition. Home coaches included Joe Krones and his wife Dawn Krones. The VSO also worked with two coaches well known in the BHS. This included George Gipp from Florida and Jay Butterfield from South Carolina.

Gipp and Butterfield were the backbone up until the time the VSO took the contest stage in Dallas. The end goal for the chorus was to become better than the year before and do everything with excellence.

"The whole reason we do what we do is the journey," said Rogers, VSO music and artistic director. "You can win a contest and that is great for a while, but to experience the journey lasts a lifetime. We become closer as a chorus, a team and a family during this process and believe me we are a family. These guys are my brothers and watching them do what they do inspires me every day."

A future goal for the OKC Chapter is to excel, in order to qualify for the BHS International Convention in Chicago Illinois in 2028, where chapters from all over the world will gather to compete. The OKC Chapter did achieve that feat in 1998.
