PERRY PUBLIC SCHOOLS

Perry School Board Recognizes Students, Reviews District Updates and Approves Policy Changes

The Perry Board of Education covered a variety of district matters during its regular meeting Monday, Oct. 12, including student recognition, academic and financial updates, policy revisions, transportation needs and personnel news.

The meeting opened with recognition of students of the month from each school site. Honorees included kindergarten student Dutton Harmon from Lower Elementary, fifth-grader Susan Sewell from Upper Elementary, Leah Wicker from Perry Junior High and Bella King from Perry High School.

Superintendent Mr. Wilson provided updates on district finances, academics and facilities. He reported that the district's accreditation process went well and that audit results were expected soon. Other topics included the Catalyst Ed grant and the potential replacement of the district's current agriculture truck.

Perry's Ag Mechanics program also received recognition for earning several awards at the Tulsa State Fair, while the school band recently competed in its own event.

Building principals presented academic updates for their respective schools and answered questions from board members. The meeting agenda also included presentations of the district's dropout and college remediation reports.

During the consent agenda, board members approved the minutes from the Sept. 14 regular meeting and Sept. 29 special meeting, financial reports, encumbrances and activity fund reports. Fundraiser requests from Perry girls basketball, Perry boys basketball and the high school office were also included. The consent agenda was approved following a motion by Marvin Dement and a second by Marsha Hartwig.

The board entered executive session at 7:03 p.m. to discuss the superintendent's quarterly evaluation, pursuant to Oklahoma law. Members returned to open session at 7:35 p.m. No action was taken following the executive session.

Several additional items received board approval, including the sanctioning of the Perry Softball Booster Club and adoption of an hours-based calendar calculation for the 2026-27 school year.

Board members also approved Policy FE, Transfer Capacity, and the district's Emergency Medical Service Provision Plan.

The board approved declaring three school buses as surplus property: a 2006 Thomas school bus, a 2004 Blue Bird school bus and a donated 2010 Thomas school bus.

The scope of work for John Divine Hall was discussed, but no action was taken.

Policy revisions also received considerable attention. The board voted to table the Wellness Policy and maternity leave regulation, while approving revisions to policies addressing naming opportunities, leave of absence, bereavement leave, the Strong Readers Act, attendance, student safety identification cards and reporting suspected child abuse, neglect, exploitation and trafficking. The Personal Electronic Devices policy was also approved with changes.

Under new business, the board acknowledged receiving a resignation letter from head high school softball coach Bryan Hayes. His resignation is effective immediately following the conclusion of the current season.

The meeting adjourned at 8:30 p.m. following a motion by Marvin Dement and a second by Marsha Hartwig.
