of the borrower under this security instrument is not performed and remains wholly unpaid as of the date of this notice, and no payment has been made sufficient to restore the loan to currency; and Whereas, the entire amount delinquent as of 3/23/2025 is \$120,445.27; and Whereas, by virtue of this default, the Secretary has declared the entire amount of the indebtedness secured by the Mortgage to be immediately due and payable; Now Therefore, pursuant to powers vested in me by the Single Family Mortgage Foreclosure Act of 1994, 12 U.S.C. 3751 et seq., by 24 CFR part 27, subpart B, and by the Secretary's designation of Nationwide Reconveyance, LLC as Foreclosure Commissioner (see attached), notice is hereby given that on 4/10/2026 at 11:00 AM local time, all real and personal property at or used in connection with the following described property will be sold at public auction to the highest bidder: Legal Description: Lot 257, Holiday Shores, a subdivision in Delaware County, Oklahoma, according to the recorded plat thereof. Commonly known as: 25471 S 606 Rd, Grove, OK 74344 The sale will be held outside the Delaware County Courthouse, 327 S. 5th St, Jay, OK 74346. The Secretary of Housing and Urban Development will bid an estimate of \$131,878.31. There will be no proration of taxes, rents or other income or liabilities, except that the purchaser will pay, at or before closing, his prorata share of any real estate taxes that have been paid by the Secretary to the date of the foreclosure sale. When making their bids, all bidders except the Secretary must submit a deposit totaling \$13,187.83 [10% of the Secretary's bid] in the form of a certified check or cashier's check made out to the Secretary of HUD. Each oral bid need not be accompanied by a deposit. If the successful bid is oral, a deposit of \$13,187.83 must be presented before the bidding is closed. The deposit is nonrefundable. The remainder of the purchase price must be delivered within 30 days of the sale or at such other time as the Secretary may determine for good cause shown, time being of the essence. This amount, like the bid deposits, must be delivered in the form of a certified or cashier's check. If the Secretary is the high bidder, he need not pay the bid amount in cash. The successful bidder will pay all conveyancing fees, all real estate and other taxes that are due on or after the delivery of the remainder of the payment and all other costs associated with the transfer of title. At the conclusion of the sale, the deposits of the unsuccessful bidders will be returned to them. The Secretary may grant an extension of time within which to deliver the remainder of the payment. All extensions will be for 15-day increments for a fee of \$500.00, paid in advance. The extension fee shall be in the form of a certified or cashier's check made payable to the Secretary of HUD. If the high bidder closes the sale prior to the expiration of any extension period, the unused portion of the extension fee shall be applied toward the amount due. If the high bidder is unable to close the sale within the required period, or within any extensions of time granted by the Secretary, the high bidder may be required to forfeit the cash deposit or, at the election of the foreclosure commissioner after consultation with the HUD Field Office representative, will be liable to HUD for any costs incurred as a result of such failure. The commissioner may, at the direction of the HUD field office Representative, offer the Property to the second highest bidder for an amount equal to the highest price offered by that bidder. There is no right of redemption, or right of possession based upon a right of redemption, in the mortgagor or

others subsequent to a foreclosure completed pursuant to the Act. Therefore, the Foreclosure commissioner will issue a Deed to the purchaser(s) upon receipt of the entire purchase price in accordance with the terms of the sale as provided herein. HUD does not guarantee that the property will be vacant. The amount that must be paid if the Mortgage is to be reinstated prior to the scheduled sale is \$131,878.31, as of 4/9/2026, plus all other amounts that would be due under the mortgage agreement if payments under the mortgage had not been accelerated, advertising costs and postage expenses incurred in giving notice, mileage by the most reasonable road distance for posting notices and for the Foreclosure Commissioner's attendance at the sale, reasonable and customary costs incurred for title and lien record searches, the necessary out-of-pocket costs incurred by the Foreclosure Commissioner for recording documents, a commission for the Foreclosure Commissioner, and all other costs incurred in connection with the foreclosure prior to reinstatement. Rain eliminates Delaware County burn ban

The Delaware County Commission eliminated the burn ban for the county on Tuesday, March 10, after the more than two inches of rain fell. The burn ban was put in place on Feb. 24, before the rain fell over the weekend.

The commissioners also discussed potentially hiring a part-time property manager to schedule maintenance repairs. District 2 Commissioner Jake Callihan said that county properties needed someone to watch over them so that would not become "dilapidated."

The commissioners approved refurbishing the benches in the commissioners' room from Spider Lift Boat Covers at a cost of \$2,700. District 2 Commissioner Jake Callihan received permission

to talk to the Highway Department about replacing the fence along Highway 59, because of widening of the roadway. Also approved was the transfer of 2008 Ford Expedition from the Emergency Management

department to the Flint Ridge Fire Department.

A floor sweeper for the Fairgrounds Building was discussed, as was the purchase of a scissor lift. A proposal to discuss quotes for fire detection system

from Techsico was tabled for next week.

The commissioners also approved an application for a grant from the State Emergency Management department by District 2 Barn to purchase a

generator. The new location requires a different kind of generator than was applied for previously. The grant, if awarded, would pay up to 75% of the cost of a generator.
