Miller pleads guilty to 13 counts, receives 20-year prison term

Jerry Michael Miller Jr. pleaded guilty August 21 in Noble County District Court to 13 felony counts in Case No. CF-2025-54 and received a sentence of 40 years, with 20 years to be served with the Oklahoma Department of Corrections and the remaining 20 years suspended.

Miller was originally charged with 11 counts of embezzlement after former felony convictions, pattern of criminal offenses, and computer fraud/unlawful use of a computer or computer system after former felony convictions. The case was later amended to include 13 counts.

The case began October 9, 2025, when Miller appeared in court and was advised of his rights. The matter was continued for an accelerated settlement review to October 20. At that hearing, the court approved Miller's application for a court-appointed attorney.

Attorney Banks subsequently represented Miller. After several settings and a defense-requested continuance, the case was set for a preliminary hearing.

On February 20, the case was consolidated for minute purposes with another Noble County criminal case, CF-2024-89. The court later set the matter for disposition.

A restitution hearing was held April 17. Miller was sworn in and advised of his rights. The state called a witness and introduced several exhibits, including five Amazon receipts. Exhibits 1, 2 and 3 were admitted, while Exhibit 4 was not. Both sides presented closing statements, followed by a final rebuttal from the state.

The case returned to court August 21, when Miller entered guilty pleas in both consolidated cases.

In CF-2025-54, Miller pleaded guilty to all 13 counts. The court sentenced him to 40 years, with 20 years to be served with the Department of Corrections and the balance suspended. Court costs and costs of incarceration were also ordered. The counts and cases were ordered to run concurrently. A Kay County case, CF-2020-75, was also ordered to run concurrently with the Noble County sentences. Miller was granted credit for time served.

Jerry Michael Miller Jr.

The court ordered Miller to pay $176,206.83 in restitution. The victim had received $25,000 from insurance, leaving Miller responsible for $151,206.83, payable through the district attorney's office.

Miller was also ordered to pay supervision fees and undergo DNA testing at his own expense.

In the separate consolidated case, CF-202489, Miller pleaded guilty to four counts and received four-year sentences on each count, with all four sentences running concurrently.

Harper ordered to pay more than $73,000 in restitution

Roger Lee Harper has been ordered to pay $73,348.21 in restitution following guilty pleas to second-degree burglary after former felony conviction and grand larceny after former felony conviction in Noble County District Court Case No. CF-2025-85.

Harper first appeared in court February 4. He was advised of his rights, received copies of the information and had his application for a court-appointed attorney approved. The court appointed OIDS to represent him. Judge Leach recused himself, and the matter was set for a preliminary hearing conference.

On March 2, Harper appeared with attorney Kennedy and waived his preliminary hearing, waived the two-judge requirement and waived formal reading of the information. He entered guilty pleas to both counts, and the court accepted the pleas. The district attorney's office made recommendations for Drug Court, which the court accepted. A restitution hearing was initially scheduled for June 1.

On June 15, the court found Harper had failed to comply with the rules and conditions of Drug Court. A $50,000 bond was set, and a bench warrant was issued for failure to comply with Drug Court requirements.

On August 10, by agreement of the parties, the restitution hearing was reset for August 24.

At the August 24 hearing, Assistant District Attorney Landes was present, along with attorney Kennedy. Harper was not present, and Kennedy advised the court she had not had contact with his client. The court advised that Harper had an outstanding failure-to-appear warrant.

The state advised that emails had been sent to Harper's place of residence, and Kennedy requested that the emails be entered into the case record.

Roger Lee Harper

The state called a witness. The witness was sworn in and questioned by the state, followed by questioning from Kennedy. The state offered Exhibit 1, which the court admitted. Both sides then rested.

The court ordered Harper to pay $73,348.21 in restitution.
