and later.  
They reported an isolated incident during the belt manufacturing process may have contaminated causing reduced adhesion between the belt and other parts of the tire.  
Drivers may notice rapid tread wear, increased noise, vibration and bulging in the tread area of the recalled tires.  
Dealers who are approved dealers selling Toyo and or Nitto will replace the tires free of charge. It doesn't matter where you purchased these tires.  
Mr J's Tire, located at 122 S. Elm Street in Nowata, will inspect your tires at no charge to determine if they are being recalled.

Sudoku uses pure logic and requires no math to solve. It is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the number 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once.
