Applicant requests permission to complete such multiunit horizontal well in and to produce hydrocarbons from the separate common sources of supply. Applicant intends to run casing in the horizontal portion, or lateral, of the borehole of the multiunit horizontal well and to cement such casing so as to cover and isolate the first and last perforations in such horizontal portion, or lateral.

The entire length of the lateral will be cemented such that the perforations will be isolated from the beginning and end points of the lateral in order to protect the correlative rights of the offset units.

NOTICE IS HEREBY GIVEN that the application in this cause requests that the order to be entered in this matter be made effective as of the date of the execution thereof or as of a date prior thereto and that the authorization and permission requested herein run in favor of Applicant.

NOTICE IS FURTHER GIVEN that the that the offset units toward which this horizontal well will be moving are Sections 17, 18, 19, 30, 31 and 32-14N-14W, Custer County, Oklahoma. The offset wells toward which this horizontal well will be moving are as follows:
