CHEROKEE NATION

CONTINUED FROM PG 4

“As a nurse myself, I am beyond grateful for the RN scholarships offered through Cherokee Nation for our citizens. These scholarship awards incentivize scholarship recipients to become employees within Cherokee Nation’s Health System, and that is a win-win,”

District 1 Councilor Sasha Blackfox-Qualls said.
Cherokee Nation operates the largest health system in Indian Country, delivering more than three million patient services per year to members of all federally recognized tribes at 11 health care facilities

across the 7,000 square mile Cherokee Nation Reservation with a workforce of more than 5,000.

OPPORTUNITIES PROGRAM WITH HARVESTING HOPE RECOVERY INC.

Our mission is to provide a pathway to positive change, offering grants to participants while reintegrating them into society and fostering a brighter future while at the same time providing a way for our donors to get things done around the house, in the yard or at their businesses.

FOR DONORS: BE THE CATALYST FOR CHANGE

As a donor, you play a pivotal role in transforming lives. Whether you're an individual, a business, or a group, you can join our program by completing a simple form and designating how you prefer to support. Your support can come in various forms:

- Volunteer: Get hands-on by volunteering your time and expertise.
- Financial Support: Your generous donations fuel our mission and will directly impact those contributing the service work.

PROGRAM HIGHLIGHTS:

- Supervised Service Work: Our committee oversees service work volunteers, ensuring accountability and progress.
- Financial Assistance: Scholarships are awarded to cover fines, fees, rent, utilities, and other essential expenses.
- Supportive Environment: Benefit from a Christ-centered community dedicated to your growth and well-being.
