Hansen, Nusz help lead Lomega to 5th place

Lomega medaled in eight different events to secure its best-ever finish at the Class A state track and field meet.

The Lady Raiders notched 48 points to finish fifth in the team standings, the highest ever.

That wasn't all the history made.

Isabel Hansen became just the second Lomega female athlete to haul in four medals at one state meet.

Hansen did it by placing third in the 800 and 1,600 meter runs and was part of the mile relay team that took sixth and two-mile relay team that placed fourth at Western Heights High School.

Hansen joins Brooke (Edsall) Graddy as the only Lady Raiders to garner four medals at one state meet.

Joining Hansen in the mile relay were Josey Nusz, Joann Bilger and Gracie Sawyer.

They became the first Lomega mile relay team to ever medal and their 4:18.31 broke the school record.

It was one of three records set by Nusz at the state meet.

She was fifth in the 100 with a time of 12.64. Her finish of 26.09 in the 200 was good for fourth. Both are new Lomega records.

The two-mile relay team in addition to Hansen were Sawyer, Bilger and Claire Myers. They finished in 10:31.99.

Sawyer was also eighth in the 800.

Kinsley Fisher brought home a pair of medals in the field.

On Friday, she hurled the discus 130 feet, 7 inches, good for a bronze medal.

She came back Saturday to take fifth in the shot put with a heave of 35-3.

The Southwestern Oklahoma State signee is the school record holder in both events.

Thomas won the state title with 88 points. Medford was the state runner-up with 61 while Cyril was third with 55 and Oklahoma Bible Academy fourth with 50.5 points.

Matousek recovers from spill to set two PRs

Julianne Matousek may have more successful state track and field meets in her future.

She'll be hard-pressed to make them more memorable.

The Hennessey High School freshman scored at least one point in all three of her events last weekend at the Class 3A state meet held at Catoosa High School.

It started on Friday morning when Matousek finished fifth in the 3,200 meter run, earning herself a spot on the medal stand.

"I thought she ran a really smart race," said her coach, Cheyenne Baxter.

The memorable part came Saturday.

Competing in her first of two events of the day, Matousek was battling for another trip to the medal

JULIANNE MATOUSEK (7) is pictured competing in the 800 meter run at the 3A state meet. A fall in the final meters left some "residue" from the track on her leg, but she still finished eighth and set a PR. [KT&FP Staff Photos]

stand in the home stretch of the 800 meter run.

She got a trip - more like a fall - of a different sort.

In the final 25 meters, Matousek lost her footing and fell to the track surface.

Sporting the "road rash" on her leg and on the lane assignment patch on her leg, Matousek got back to her feet and still managed

to finish the race in eighth place.

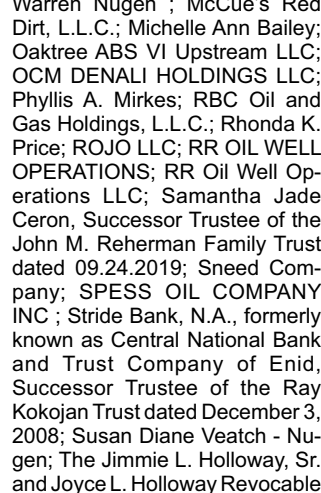

But that wasn't all. Despite the fall, Matousek set a new PR with her time of 2:27.01.

A little later that afternoon, Matousek was back at it in the mile run. She placed seventh in 5:25, shattering her previous best time by 12 seconds.

"I was very impressed with her 800," Baxter said. "To have a PR after falling is super impressive...and then she had another big PR in the mile."

"She is a tough kid." Matousek accounted for all seven of Hennessey's team points at the meet.

Added Baxter: "I'm excited to see what else she accomplishes over the next three years."
