FAIRLAND ESPORTS TEAMS MAKE PUSH TOWARD STATE PLAYOFFS

The Fairland Owls Esports program continues to make its presence felt in Oklahoma high school Super Smash Bros. competition, with all three teams putting together competitive runs as the regular season approaches its conclusion. Two Fairland teams currently hold spots in the state's top 20 rankings, while the third continues to battle through a competitive schedule.

The Fairland Owls (Violators), made up of seniors Trae Kleinknight, Spencer Oswald, and Jerry Lodwick, are currently ranked 18th in the state with a 4-2 record. The Violators recently picked up victories over Daniel Webster High School and Silo High School, continuing to build momentum as the season progresses.

The Fairland Owls (Goofy Goobers), featuring juniors Luke Wilkes, Connor Green, and Dontaye Vang, are ranked 19th in the state, also holding a 4-2 record. The Goofy Goobers recently defeated Fletcher High School and came up just short in an extremely close matchup against ninth-ranked Preston High School. The close contest against one of the state's top programs demonstrated the team's ability to compete with Oklahoma's best.

The Fairland Owls (Team Buster), consisting of senior Skyler Barrows, sophomore Carson McCann, and freshman Lindsey Maack, currently hold a 3-3 record. Team Buster recently fell to Wayne High School but responded with a victory over Calera High School. As a first-year team, the experience gained throughout the season continues to provide valuable opportunities for the players to develop and compete.

Despite the differences in experience, records and rankings, Fairland Esports Coach Jon Stelle said he has maintained the same expectations for all three teams.

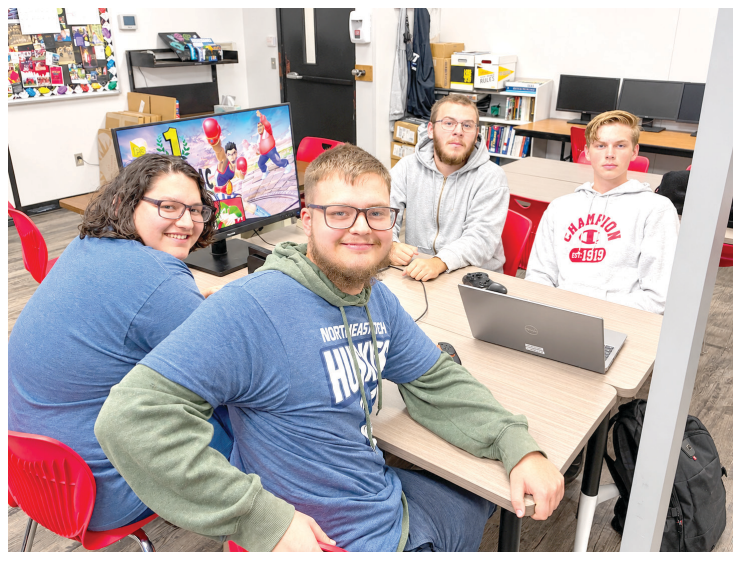

"Preparation, execution, and doing your job are what matter, not rankings," Coach Stelle said. "We've got three teams with different strengths, but the expectation is the same for all of them. You show up prepared, you compete, and you do your job. Nobody is entitled to a playoff spot. You earn it. We've got good players, but talent doesn't win matches by itself. Discipline, teamwork, and attention to detail do. That's what we're working toward every week."

With the regular season nearing its conclusion, attention is beginning to turn toward the Oklahoma Esports playoff tournament scheduled for the end of November. The tournament will feature 32 teams competing for the state championship. However, under the playoff format, each high school is allowed only one team in the tournament.

With two teams currently ranked in the state's top 20, Fairland has positioned itself for an opportunity to earn a place in the postseason. The remaining matches will be important as the Owls look to finish the regular season strong and secure their opportunity to compete for a State Championship.
