**PROPOSED MEASURE Primary Election June 16, 2026**

In accordance with Oklahoma Statutes, Title 34, Section 17, notice is hereby given that the following proposed amendment to the Oklahoma Statutes will appear on the Ballot for the Primary Election to be held June 16, 2026. A "YES" vote is a vote in favor of a measure or proposal. A "NO" vote is a vote against a measure or proposal.

Benjamin M. Lepak  
Oklahoma Secretary of State

Ballot Title  
**State Question 832, Initiative Petition 446**

This measure amends the Oklahoma Minimum Wage Act ("OMWA") under the Oklahoma Statutes to increase the state minimum wage. Employers must pay employees at least \$9 per hour beginning in 2025, increasing \$1.50 annually for a final rate of \$15 per hour in 2029. Beginning in 2030 and continuing indefinitely, the minimum wage would automatically increase annually based on the increase in the cost of living, if any, as measured by the U.S. Department of Labor's Consumer Price Index for Urban Wage Earners and Clerical Workers; the minimum wage increase would continue with any successor agency or index. Such increase would also not require approval from Congress or the Oklahoma Legislature. This measure eliminates several exemptions in the current OMWA, including the exemptions for employers subject to the federal Fair Labor Standards Act; part-time employees; certain students and individuals under age 18; farm and agricultural workers; domestic service workers; newspaper vendors or carriers; and feedstore employees. Effectively, eliminating these exemptions results in current employees not covered by the OMWA now being entitled to the minimum wage. The measure also repeals title 40, section 197.5.

Federal and state employees will not be covered under the OMWA. Volunteers; employers with ten or fewer employees and grossing \$100,000 or less; some employees of carriers engaged in interstate commerce; employees working in a bona fide executive, administrative, or professional capacity; outside salesmen; and reserve deputy sheriffs will remain excluded from the OMWA's coverage. Because counties, municipalities, and school districts are not excluded, a fiscal impact on the State will result, possibly necessitating a revenue increase by new taxes or elimination of existing services. The measure will be effective the January 1 following approval and will not apply retroactively.
