NOTICE IS HEREBY GIVEN THAT Applicant in this Cause is requesting that the Commission establish a well location with an appropriate allowable for the Red Fork common source of supply underlying Section 29 and for the Des Moines common source of supply underlying Section 32, with the lands located in Township 13 North, Range 18 West, Custer County, Oklahoma. Pursuant to Commission Rules and the Spacing Order No. 86800 for the Red Fork common source of supply underlying Section 29, and Order No. 172040 for the Des Moines common source of supply underlying Section 32, set forth the legal well location boundary lines for the target formation being the Red Fork common source of supply.
