EXHIBIT A
(Attached to Ordinance No. 2026-04)
Section 8-4-1: Purpose and Intent.
These regulations prescribe the condition through which special events of limited duration may be permitted to occur within the Town of Locust Grove that involve a request from an individual or organization to use public property or right of way to conduct or promote an event thereby creating an anticipated significant impact to Town services, public property, right-of-way, or the closure of a public street, and it is advisable or necessary to include Town officials and staff in the preparation, planning, coordination, and approval of the requested special event to promote the health, safety, and welfare of the general public and of the event participants attending.
Section 8-4-2: Permit Required.
A. It shall be unlawful for any person or authority to engage in the conduct of any special public event on public property without first obtaining a permit from the Town Clerk (or the Clerk's designee) and paying a special public event permit fee and application fee per event. The form for the special public event permit shall be provided by the Town Clerk or designee, in accordance with guidelines approved by the Town.
B. Any special public event utilizing all or a portion of any public right-of-way shall also obtain the written consent of the locust Grove Police Chief and the locust Grove Fire Chief, or their respective designees.
C. Licenses or additional permits may be required depending on the activities conducted at the special public event.
D. The special public event permit may be issued for multiple dates of the same reoccurring event provided no changes are made to the site plan or number of vendors and all dates occur within 12 months.
Section 8-4-3: Definitions

7. Site plan means a diagram approximately to scale depicting all public rights-of-way or park(s) sought to be closed and utilized for the conduct of the event, the location of any structure, stand, tent, vehicle, sign, restroom facilities, trash receptacles and/or displays to be used while conducting the event.
8. Special event site means geographic limits of all activities conducted as a part of the special public event. For athletic events, it includes the route of the event.

10. Vendor means any person or entity engaged in the provision of merchandise, services or food and beverages for a fee at any special public event or tickets therefor.
Section 8-4-4: Application Procedure.
A. Contents of application. Applicant for a special public event permit shall file with the Town Clerk's office a verified application on a form to be furnished by the Town Clerk.
B. During the permit period, the organizer of the special public event will be authorized to limit motorized-vehicle access to the event site by the placement of approved temporary barricades.
C. The organizer is authorized to limit and regulate temporary exhibits, promotional activities, peddlers, entertainers and vendor sales within the event site; provided, free unregulated access to permanent businesses and operations of such businesses on private property within or adjacent to the event site shall not be inhibited.
D. The organizer shall not make or suffer any use of occupancy of the event site contrary to

any law, state statute or Town ordinance currently in effect or hereafter adopted. At all times during the operation of the event, the organizer shall comply with all requests and requirements made by representatives of the Public Works Director, Chief of Police, Fire Chief with respect to security, surveillance and public safety, traffic control, barricades, pedestrian matters, fire safety and all matters related thereto; and at all times the foregoing town officials and their designated agents shall be allowed to fully inspect the operation of the event and the event site. Organizer also shall comply with the following requirements:
1. All lane and street closure locations authorized under the permit are shown on the event traffic control plan. All closures shall be in full conformance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices. The placement of traffic control devices shall be reviewed by the Streets and Alleys Director or his/her designee.
2. The organizer must, if applicable, contact the Locust Grove Police Department for escort or traffic control.
3. No portion of any special event shall trespass on private property. This requirement shall in no way limit permissive use of private property.
4. There shall be no damage, drilling, painting or construction upon town streets, sidewalks or other public property.
E. The organizer shall bear, pay and discharge all taxes, assessments, duties, impositions and burdens whatsoever assessed, charged or imposed within or upon and in connection with the use of the event site by organizer except as may be exempted, by local State or federal laws or regulations and to deliver to the Town the proper and sufficient receipts and other evidence of the prompt payment and discharge of same, if any.
F. Subject to compliance with all provisions of D.1 of this section, the organizer is authorized to install, place, and maintain improvements within the event site during the term of the event, and such installation, placement, and maintenance, as well as removal of improvements within the event site shall be at the sole risk and expense of organizer.
G. Organizer shall bear, pay, and discharge any and all obligations, costs, fees, or expenses incurred by organizer for the construction, erection, and removal of any improvements and/or services provided within the event site or connected with the event, and shall bear, pay, and discharge all costs or expenses incurred by organizer in connection with the maintenance or repair of any such improvements within the event site during the term of the permit.
H. Organizer shall dismantle and remove any improvements and shall clean up all trash and debris from the site generated by the event within the term of the permit.
In the event the organizer fails to fulfill these obligations in a timely manner, the Town shall have the right to do or have done such work and recover the cost of such work from organizer. Further, failure of organizer to comply with the provisions of this paragraph shall constitute grounds for denial of subsequent permit requests.
I. Organizer shall assume full responsibility for ensuring the protection of all Town property within the event site, including but not limited to streets, sidewalks, trees, plants, shrubs, buildings, and the like. Any damage which may occur to Town property will be the responsibility of organizer if the same occurs within the event site during the term of the event and as a result of the event. This section specifically excludes normal wear and tear as determined by the Town.
Section 8-4-5: Insurance Required.
A. The applicant shall be responsible for obtaining liability insurance coverage and Dram Shop insurance (if alcohol is to be served by the event organizer) for the special event, in amounts as determined by the Town. The applicant shall also provide the Town with a certificate of insurance, naming the Town as an additional insured, sufficiently in advance of the scheduled event.
B. The organizer shall indemnify and hold the Town of Locust Grove and any additional public trusts of which it is the sole beneficiary, harmless from all claims, suits, actions or judgments, including but not limited to all expenses, attorneys' fees, witness fees, and all other costs of defending any such action or claim or appeals therefrom, arising out of any defect of the event site or from the maintenance, operation or conduct of the event by organizer, its agents or employees or its invitees, vendors, or licensees.
Section 8-4-6: Departmental review; conditions and requirements.
All applications for special public event permits shall be reviewed and recommendations made by the Police Department, Fire Department, Public Works

Department, and all other Town departments effected by the application. The Town Clerk is authorized to condition approvals of permit applications on compliance with recommendations of the Town departments.
Section 8-4-7: Revocation
A. Any special event permit issued under the terms of this Chapter may be revoked by the Town Clerk or his/her designee, the Police Chief or his/her designee, the Public Works Director or his/her designee for grounds, including but not limited to the following:
1. fraud, misrepresentation, or any false statement contained in the application for the permit.
2. the organizer conducts the event for which the permit has been issued in an unlawful manner or in such a manner as to constitute a breach of the peace.
3. the conduct of the event has caused will cause or will have the effect of an imminent threat to the public health, safety, and/or general welfare; and/or
4. the organizer has failed to comply with all the terms and conditions of the permit.
B. Upon revocation of the permit, the organizer shall immediately terminate the conduct of the event and dismantle and remove any improvements and/or obstructions located in any public rights-of-way, park(s), and the event site, and return the public rights-of-way and park(s) to the original condition before the event.
C. Revocation for cause shall constitute grounds for subsequent permit requests.
Section 8-4-8: Penalties.
Any person who violates or resists the enforcement of any of the provisions of this chapter shall be guilty of a municipal infraction punishable by a civil penalty of five hundred dollars (\$500.00) for the initial offense and one thousand dollars (\$1,000.00) for each repeat offense. Any person who violates a provision of this chapter after having previously been found guilty of violating the same provision of this chapter at the same location, shall be guilty of a repeat offense. Seeking a civil penalty as authorized in this section does not preclude the Town from seeking alternative relief, including, but not limited to, any order for abatement or injunctive relief from the court in the same action or as a separate action.
Section 8-4-9: Exemption.
A Nothing in this chapter shall be construed as requiring a special event permit for the following:
1. Funeral processions.
2. Events conducted entirely on the property of a church, educational institution, or campus, unless foreseeable circumstances will likely require Town services (e.g., police, fire, public works), disrupt neighboring streets with crowds or traffic congestion. However, this type of event may require a temporary site plan that would need to be approved by the Town.
3. Events conducted on Town owned property subject to a contract, lease, or agreement. However, this type of event may require a temporary site plan that would need to be approved by the Town.
