BENJAMIN M. LEPAK
Oklahoma Secretary of State

RUNOFF ELECTION AUGUST 25, 2026, BALLOT TITLE
State Question 844, Legislative Referendum 378

This measure amends article 10, section 6B of the Oklahoma Constitution. Section 6B incentivizes manufacturers to locate, expand, or acquire manufacturing facilities in Oklahoma through an ad valorem taxation exemption for five (5) years. Currently, the State must reimburse common schools, county governments, cities and towns, emergency medical services districts, vocational technical schools, junior colleges, county health departments and libraries for revenues lost as a result of each exemption provided. This measure authorizes the Legislature to enact laws establishing the levels and methodologies of reimbursement for the previously mentioned local governmental entities resulting from the manufacturing exemption. The laws are meant to ensure that no individual county receives reimbursement in an amount detrimental to other Oklahoma counties. The levels and methodologies will replace the current statutory framework for reimbursement. For the purpose of calculating the limit on indebtedness for political subdivisions, the measure requires such amount be equal to the amount of reimbursement applicable to such property under laws enacted by the Legislature. This measure will have a fiscal impact on the state that will depend on the application of the levels and methodologies adopted by the Legislature.

SHALL THE PROPOSAL BE APPROVED?
FOR THE PROPOSAL – YES _____
AGAINST THE PROPOSAL – NO _____

A "YES" vote is a vote in favor of this measure. A "NO" vote is a vote against this measure.

The primary source for this fund was allocated but not limited to the Use Sales Tax receipts. The Board of Commissioners reserved the right to deposit funds from other sources they deem appropriate. Beginning each July 1, 2026 monthly deposits from the Oklahoma Tax Commission resulting from Use Tax receipts shall be appropriated to the Custer County Rural Fire Truck Use Tax Fund limited to a maximum of $150,000.00 for each Fiscal Year as the funds remain available. The Board of County Commissioners determines that for simplification of accounting, when the Use Tax collections reaches the maximum amount of $150,000.00, a purchase order will be written from the Custer County Rural Fire Truck Use Tax Fund to the respective Fire Department's Sales Tax Capital Outlay. Said amount will be utilized by the Fire Department for the purchase of fire trucks and equipment attaching to the fire truck and will be documented on the purchase order that funding was provided through the Custer County Rural Fire Truck Use Tax Fund.
