ADVERTISEMENT FOR BIDS
CITY OF PERRY, OKLAHOMA
City of Perry
Voice: 580-336-4241
622 Cedar Street
Email: citymanager@cityofperryok.com
Perry, Oklahoma 73077

SEPARATE SEALED BIDS will be received by the CITY OF PERRY (herein called "OWNER") for:
POLICE STATION METAL ROOF OVERBUILD
at the Office of the City Manager at the aforementioned address until 2:00 p.m., Central Time, on the 11th day of September 2026, and then at said office publicly opened and read aloud.
The construction of the Police Station Metal Roof Overbuild is called the PROJECT.
To receive the plans, specifications, bid documents, and proposed contract, please contact Nathan Read, City Manager, at the voice number or email address provided hereinabove. For more information about the PROJECT or to schedule a tour of the facility, contact Nathan Read, City Manager, or Brian Thomas, Chief of Police, at 580-336-4422.
All BIDS shall be in substantial compliance with the terms and conditions of the plans and specifications. Each BIDDER shall specifically identify in its BID all deviations and differences between its BID and the plans and specifications. BIDS shall not include state or local sales or excise taxes for purchases properly exempt from such taxes.
The PROJECT generally consists of furnishing and installing a new trussed metal roof over the existing flat concrete roof of the Perry Police Station. The WORK includes a nominal 5:12 wood-trussed roof system; structural roof decking; vapor and water-control materials; 26-gauge standing-seam painted metal roof panels; ridge caps; flashings; trims; approximately 24-inch fascia bands; covered entrance areas on the east and west sides of the building; the connecting breezeway; and all labor, materials, tools, equipment, engineering, bracing, fastening, weather protection, and incidental work required for a complete and watertight roof system.
Each BID must be submitted in a sealed envelope addressed to the CITY OF PERRY and delivered to Perry City Hall, 622 Cedar Street, Perry, Oklahoma 73077, before the bid-opening date and time.
Each sealed envelope containing a BID must be plainly marked on the outside:
"BID FOR PERRY POLICE STATION METAL ROOF OVERBUILD"
The envelope shall bear on the outside the BIDDER's name, address, telephone number, and the name of the PROJECT for which the BID is submitted. If forwarded by mail or delivery service, the sealed envelope containing the BID must be enclosed in another envelope addressed to the OWNER.
All BIDS must be made on the required BID FORM. All blank spaces for BID prices must be completed in ink or typewritten, and the BID FORM must be fully completed and executed when submitted. Only one (1) copy of the BID FORM is required unless otherwise stated by an Addendum. Each BIDDER shall accompany its BID with a fully executed Non-Collusion Affidavit and Business Relationships Affidavit. The OWNER may waive informalities or minor defects and may reject any or all BIDS in accordance with the Oklahoma Public Competitive Bidding Act of 1974. Any BID received by the OWNER more than ninety-six (96) hours, excluding Saturdays, Sundays, and holidays, before the time established for opening BIDS, or received after the time established for opening BIDS, will not be considered and will be returned unopened to the BIDDER submitting the same.
BIDDERS must satisfy themselves as to the accuracy and completeness of the plans and specifications by examining the existing roof and building conditions and thoroughly reviewing the CONTRACT DOCUMENTS. After BIDS have been submitted, a BIDDER shall not assert that there was a misunderstanding concerning the quantities of WORK, existing conditions, or the nature of the WORK to be performed.
The BID shall state the nature and length of the proposed warranties and how each warranty applies to materials and workmanship. The warranties required by the OWNER are provided in the specifications. The CONTRACT DOCUMENTS, including the plans and specifications, contain the provisions required for the WORK of the PROJECT. Information obtained from an officer, agent, employee, or representative of the OWNER, or from any other person, shall not affect the risks or obligations assumed by the CONTRACTOR or relieve the CONTRACTOR from fulfilling the requirements and conditions of the CONTRACT.
Each BID must be accompanied by a BID BOND payable to the OWNER in the amount of FIVE PERCENT (5%) of the total amount of the BID. A certified check or cashier's check may be used in place of the BID BOND when permitted by the CONTRACT DOCUMENTS and applicable law.
After the BID prices have been compared, the OWNER will return the BID security of all except the three (3) lowest responsible BIDDERS. When the AGREEMENT is executed, the BID security of the two (2) remaining unsuccessful BIDDERS will be returned. The BID security of the successful BIDDER will be retained until the required MAINTENANCE BOND, PERFORMANCE BOND, STATUTORY PAYMENT BOND, insurance documents, and AGREEMENT have been executed and approved, after which it will be returned.
The OWNER reserves the right to withhold the award of the CONTRACT for forty-five (45) days from the date BIDS are opened, and no award will be made until the necessary investigations have been completed regarding the responsibility of the apparent lowest responsible BIDDER. If there are reasons why the CONTRACT cannot be awarded within the specified period, the time may be extended by mutual written agreement between the OWNER and the BIDDER.
A MAINTENANCE BOND, PERFORMANCE BOND, and STATUTORY PAYMENT BOND, each in the amount of ONE HUNDRED PERCENT (100%) of the CONTRACT PRICE and issued by a corporate surety approved by the OWNER and authorized to transact business in Oklahoma, will be required for the faithful performance of the CONTRACT and payment of all lawful obligations arising from the WORK.
Attorneys-in-fact who sign BID BONDS, MAINTENANCE BONDS, PERFORMANCE BONDS, or STATUTORY PAYMENT BONDS must file with each BOND a certified and currently effective copy of their Power of Attorney.
The party to whom the CONTRACT is awarded will be required to execute the AGREEMENT and provide the required BONDS and insurance documents within ten (10) calendar days after the NOTICE OF AWARD is delivered to the BIDDER.
The NOTICE OF AWARD shall be accompanied by the necessary AGREEMENT and BOND forms. If the successful BIDDER fails to execute the AGREEMENT or furnish the required BONDS and insurance, the OWNER may consider the BIDDER to be in default and may exercise its rights against the BID security.
The OWNER, within ten (10) calendar days after receipt of the acceptable MAINTENANCE BOND, PERFORMANCE BOND, STATUTORY PAYMENT BOND, insurance documents, and AGREEMENT signed by the party to whom the CONTRACT was awarded, shall execute the AGREEMENT and return an executed copy to the CONTRACTOR.
The NOTICE TO PROCEED shall be issued within ten (10) calendar days after execution of the AGREEMENT by the OWNER unless the time is extended by mutual written agreement between the OWNER and CONTRACTOR. The CONTRACTOR shall begin the WORK within fifteen (15) calendar days after issuance of the NOTICE TO PROCEED unless another commencement date is stated in the NOTICE TO PROCEED.
The OWNER may make such investigations as it considers necessary to determine the ability of the BIDDER to perform the WORK. The BIDDER shall furnish to the OWNER all information and data requested for this purpose. The OWNER reserves the right to reject any BID if the evidence submitted by or the investigation of the BIDDER fails to satisfy the OWNER that the BIDDER is properly qualified to perform the obligations of the AGREEMENT and complete the WORK contemplated therein. A conditional or qualified BID will not be accepted Award will be made to the lowest responsible BIDDER in accordance with applicable Oklahoma law. In determining the lowest responsible BIDDER, the governing body may consider the following:
1. The ability, capacity, and skill of the BIDDER to perform the CONTRACT;
2. Whether the BIDDER can perform the CONTRACT promptly and within the time specified without delay or interference;
3. The character, integrity, reputation, judgment, experience, and efficiency of the BIDDER;
4. The quality and suitability of the proposed roof system and installation;
5. The BIDDER's experience with comparable standing-seam metal roof and structural roof-overbuild projects;
6. The proposed construction schedule, warranties, safety program, bonding capacity, and financial responsibility; and
7. Any other lawful factor relevant to determining whether the BIDDER is responsible.
All applicable laws, ordinances, codes, and rules and regulations of authorities having jurisdiction over the PROJECT shall apply to the CONTRACT throughout.
Each BIDDER is responsible for inspecting the site and for reading and becoming thoroughly familiar with the CONTRACT DOCUMENTS. The failure or omission of a BIDDER to do so shall not relieve the BIDDER from any obligation concerning its BID or the CONTRACT.
Questions and requests for site visits should be directed to Nathan Read, City Manager, at 580-336-4241 or city.manager@cityofperryok.com.

Rena Wheatley,
Noble County Treasurer

Early voting announced

Early voting for August 25, 2026, Runoff Primary and Special Election, begins Thursday, August 20th for Noble County voters.

Voters who will not be able to make it to the polls on Election Day, have the option of voting early at their County Election Board. Early voting for the Runoff Primary and Town of Red Rock Special Election is open to registered voters in Noble County who live within the geographical boundaries of the entity for which the election is being conducted.

Oklahoma allows early voting for all elections conducted through the State Election Board- from school board and municipal to county, state, and federal elections. This is a great option for those who will be out of town on Election Day or who want to avoid the possibility of long lines at the polling location.

Early voting will be available as follows: Thursday, August 20, and Friday, August 21, from 8 a.m. to 6 p.m., and Saturday, August 22, from 8 a.m. to 2 p.m. Early voting takes place at the County Election Board, located on the first floor of the Noble County Courthouse.
