**TOWN OF WEST SILOAM SPRINGS, OKLAHOMA
ORDINANCE NO. 2026-09-01**

AN ORDINANCE OF THE TOWN OF WEST SILOAM SPRINGS, OKLAHOMA, AMENDING CHAPTER 111 OF THE WEST SILOAM SPRINGS CODE OF ORDINANCES BY ENACTING NEW SECTIONS 111.07 THROUGH 111.17, ESTABLISHING A MOBILE FOOD VENDOR PERMIT ISSUED IN RECOGNITION OF A STATE FOOD ESTABLISHMENT LICENSE AS AUTHORIZED BY THE OKLAHOMA FOOD TRUCK FREEDOM ACT, 63 O.S. §§ 1-1150 THROUGH 1-1154; PROVIDING FOR A ONE-YEAR PERMIT TERM AND A ONE HUNDRED DOLLAR ($100.00) APPLICATION FEE NOT EXCEEDING THE TOWN'S ADMINISTRATIVE COST OF ISSUANCE; PRESCRIBING THE CONTENTS OF THE APPLICATION, INCLUDING THE DATES AND LOCATIONS AT WHICH THE VENDOR PLANS TO OPERATE AND A MENU OR LIST OF ITEMS TO BE OFFERED FOR SALE; PROVIDING FOR ENFORCEMENT THROUGH VERIFICATION OF ALL REQUIRED LICENSES; PROVIDING FOR AUTHORIZED LOCATIONS, OPERATING REQUIREMENTS, LIMITATIONS ON TOWN REGULATION, DENIAL, REVOCATION AND APPEAL; AND PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, the Town of West Siloam Springs, Oklahoma (the "Town") is an incorporated town organized under Title 11 of the Oklahoma Statutes, and is a "local authority" for purposes of 63 O.S. §§ 1-1150 through 1-1154; and

WHEREAS, the Oklahoma Legislature enacted the Food Truck Freedom Act, codified at 63 O.S. §§ 1-1150 through 1-1154 (the "Act"), effective November 1, 2025; and

WHEREAS, 63 O.S. § 1-1150 (B) requires a mobile food vendor holding the food establishment license required by 63 O.S. § 1-1118 to provide a copy of that state license to the local authority for recognition before operating in the local authority's jurisdiction, requires the local authority to recognize a lawful and valid state license and to authorize the vendor to operate within five (5) business days of receipt of the state license and verification of compliance with local regulations not in conflict with the Act, and provides that such recognition and authorization may include the issuance of a local license or permit; and

WHEREAS, 63 O.S. § 1-1151 (B)(2)(a) expressly preserves the authority of a local authority to require a local license or permit where the local authority is issuing that license or permit in recognition of a state license under 63 O.S. § 1-1150 (B); and

WHEREAS, 63 O.S. § 1-1151 (B)(2) provides that a local authority may not charge a mobile food vendor fees for a local license or permit beyond the administrative cost of issuing the local license or permit, and the Board of Trustees, having considered the staff time and materials reasonably required to receive and review applications, to verify state and other required licenses, and to prepare, issue, record and administer permits under this ordinance, finds that a fee of One Hundred Dollars ($100.00) does not exceed the Town's administrative cost of issuing a mobile food vendor permit; and

WHEREAS, 63 O.S. § 1-1151 (A)(8) authorizes a local authority to adopt and enforce regulations in conformity with municipal powers that are not inconsistent with the Act, provided that any regulation regarding mobile food vendors must address public health or safety risks; and

WHEREAS, the Board of Trustees finds that requiring an applicant to state the dates and locations at which the applicant plans to operate addresses public health and safety risks, in that such information is necessary to locate a vendor for emergency response and for notice of hazardous conditions; to confirm that operations will not interfere with or obstruct the free passage of pedestrians or vehicles or block ingress to or egress from private property; to confirm that operations on private property in a residential zoning district do not exceed twelve (12) days per year as limited by 63 O.S. § 1-1150 (C)(2)(b); to ensure the removal of refuse; and to permit the prompt and accurate investigation of reports of foodborne illness as authorized by 63 O.S. §§ 1-1151 (A)(S) and 1-1154 (B); and

WHEREAS, the Board of Trustees finds that requiring an applicant to submit a menu or list of the items to be offered for sale addresses public health and safety risks, in that such information is necessary to confirm that the vendor's intended operations correspond to the scope of the vendor's state food establishment license, to identify time/temperature control for safety foods and other potentially hazardous foods that bear on emergency and sanitation response, and to permit the prompt and accurate identification of implicated foods in the investigation of a report of foodborne illness; and

WHEREAS, 63 O.S. § 1-1154 (A) provides that the Act shall not be construed to require a local authority to adopt a program regulating mobile food vendors or to modify its existing program so long as the local authority's regulations do not conflict with the Act, and the Board of Trustees desires that Chapter 111 of the Code of Ordinances be brought into conformity with the Act; and

WHEREAS, the Board of Trustees finds that the adoption of this ordinance is necessary for the preservation of the public health, safety and welfare of the residents of the Town.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF WEST SILOAM SPRINGS, OKLAHOMA:

SECTION 1. ENACTMENT.

Chapter 111 of the Code of Ordinances of the Town of West Siloam Springs, Oklahoma, is hereby amended by enacting new Sections 111.07 through 111.17, which shall read as follows:

§ 111.07 PURPOSE; SCOPE; CONSTRUCTION WITH STA TE LAW.

(A) Purpose. The purpose of §§ 111.07 through 111.17 is to implement the Oklahoma Food Truck Freedom Act, 63 O.S. §§ 1-1150 through 1-1154 (the "Act"), by establishing a municipal permit issued in recognition of a state food establishment license, by prescribing operating requirements that address public health and safety risks, and by providing for enforcement through verification of all licenses required of a mobile food vendor.

(B) Scope; relation to §§ 111.01 through 111.06. Notwithstanding any other provision of this chapter, a mobile food vendor operating a food vending vehicle within the corporate limits of the Town shall be regulated exclusively by §§ 111.07 through 111.17. A mobile food vendor holding a valid permit issued under § 111.09 shall not be required to obtain a peddler's, itinerant merchant's, solicitor's or other license under §§ 111.01 through 111.06 or under any other provision of this code in order to operate a food vending vehicle, and §§ 111.01 through 111.06 shall not apply to such a vendor.

(C) Construction. Sections 111.07 through 111.17 shall be construed to be consistent with the Act. To the extent any provision of this code conflicts with the Act, the Act controls and the conflicting provision is of no effect as applied to a mobile food vendor. Nothing in §§ 111.07 through 111.17 limits:

(1) the authority of the State Department of Health under Title 63 of the Oklahoma Statutes or the rules of the State Commissioner of Health;

(2) the authority of the Town or the State Department of Health to investigate reports of foodborne illness, which authority is expressly preserved by 63 O.S. §§ 1-1151 (A)(S) and 1-1154 (B);or

(3) the obligation of a mobile food vendor to comply with all other state and local laws and regulations that are not in conflict with the Act, including the traffic and parking provisions of this code, the fire code, and provisions governing nuisances, signs, litter and noise.

(7) a copy of any certificate or report of a state or local fire inspection of the food vending vehicle passed within the preceding twelve (12) months, if one has been issued; provided, that in accordance with 63 O.S. § 1-1151 (B)(13) the Town shall not require the applicant to submit to a fire inspection if the applicant demonstrates that the food vending vehicle passed a state or local fire inspection within the preceding twelve (12) months;

(8) the dates, days of the week and hours during which the applicant plans to operate within the Town during the term of the permit;

(9) each location at which the applicant plans to operate within the Town, identified by street address, park name or other description sufficient to locate the site, together with:

A supplemental notice shall include the permission or invitation required by division (A)(9) for any new private-property location. No additional fee shall be charged and no new or amended permit shall be required for a supplemental notice.

(D) Limitation on use of application information. Information required by this section shall be used only to verify the licenses required of the applicant and to address public health or safety risks. Nothing in this section shall be applied so as to require a mobile food vendor to operate a specific distance from any commercial food or retail establishment, to require a vendor to change locations except as permitted by the Act, to limit the number of licensed mobile food vendors operating within the Town, or otherwise to prohibit a vendor holding a valid state license and in compliance with the Act from lawfully operating in the Town.

§ 111.11 APPLICATION FEE; TERM OF PERMIT; RENEWAL.

(A) Application fee. Each application for a permit, and each application for renewal of a permit, shall be accompanied by a nonrefundable application fee of One Hundred Dollars ($100.00).

(B) Fee limited to administrative cost. The fee established by division (A) of this section represents the Town's administrative cost of issuing a mobile food vendor permit and shall not exceed that cost, as required by 63 O.S. § 1-1151 (B)(12). If the Board of Trustees determines at any time that the fee exceeds the Town's administrative cost of issuing the permit, the Board shall reduce the fee accordingly. No other fee or charge shall be imposed by the Town upon a mobile food vendor in connection with a permit, and in particular;

(1) no fee shall be charged for any health inspection of a food vending vehicle, as provided by 63 O.S. § l-1151 (B)(11);

(2) no fee shall be charged for a supplemental notice of dates, locations or menu items filed under § 111.10 (B) or (C); and

(3) no occupation tax, business license fee or similar charge otherwise imposed by this code upon peddlers, itinerant merchants or solicitors shall be imposed upon a mobile food vendor for the operation of a food vending vehicle.

(C) Term. A permit shall be valid for a term of one (1) year commencing on the date of issuance, unless sooner suspended or revoked as provided in § 111.17. A permit shall expire automatically, without further action by the Town, upon the expiration, suspension or revocation of the state license upon which the permit is based, and the vendor shall notify the Town Clerk within five (5) business days of any such expiration, suspension or revocation.

(D) Renewal. A permittee may apply to renew a permit by filing a renewal application with the Town Clerk not less than fifteen (15) days before the permit expires, accompanied by the fee prescribed in division (A) of this section, a copy of the current state license, and any changes to the information previously furnished under § 111.10. A renewal application shall be processed and issued in the manner and within the time prescribed by § 111.12.

(E) Replacement. The Town Clerk shall issue a replacement permit for a permit that is lost or destroyed upon the written request of the permittee, without charge.

§ 111.12 VERIFICATION OF REQUIRED LICENSES; ISSUANCE; DENIAL.

(A) Verification. Upon receipt of an application, the Town Clerk shall verify each of the following, and enforcement of §§ 111.07 through 111.17 shall include the verification of all licenses required of the applicant:

(1) that the applicant holds a lawful, valid and current food establishment license issued under 63 O.S. § 1-1118, by examination of the license and by confirmation of its status with the Department, together with any additional food establishment license required by a county or city-county health department having jurisdiction;

(2) that each person identified as an operator of the food vending vehicle holds a valid and current driver license of the class required to operate the vehicle;

(3) that the food vending vehicle and any towing vehicle are currently registered and are covered by the motor vehicle liability insurance or other security required by Oklahoma law;

(4) that the applicant holds a current Oklahoma sales tax permit issued by the Oklahoma Tax Commission;

(5) that any certificate or report of fire inspection furnished under § 111.10 (A)(7) is current and reflects that the food vending vehicle passed the inspection;

(6) that the applicant has furnished the property owner's permission or the resident's invitation required by § 111.10 (A)(9) for each private-property location reported; and

(7) that the application is complete and that the applicant is in compliance with local regulations that are not in conflict with the Act.

(B) Time for issuance. The Town Clerk shall issue the permit within five (5) business days of receipt of the applicant's state license and verification of the applicant's compliance with local regulations not in conflict with the Act, as required by 63 O.S. § 1-1150 (B). If the Town Clerk neither issues nor denies the permit within that period, the applicant shall be deemed authorized to operate pending action on the application, and the Town Clerk shall issue the permit forthwith upon the applicant's request.

(C) Grounds for denial. The Town Clerk may deny an application only upon one or more of the following grounds:

(1) the applicant does not hold a lawful, valid and current state license;

(2) the application is incomplete or the applicant has failed to furnish a license or document required by § 111.10, and the applicant has failed to cure the deficiency within five (5) business days after written notice of the deficiency;

(3) the application contains a material false statement or misrepresentation; or

(4) the applicant is not in compliance with a local regulation that is not in conflict with the Act.

(D) Notice of denial; appeal. A denial shall be in writing, shall state the grounds for denial with reasonable particularity, and shall advise the applicant of the right to appeal to the Board of Trustees. An applicant may appeal a denial by filing a written notice of appeal with the Town Clerk within ten (10) days after the date of the notice of denial. The appeal shall be heard by the Board of Trustees in the manner provided in § 111.05 for the review of a revocation, and the decision of the Board of Trustees shall be final.

(E) Reapplication. Denial of an application shall not bar the applicant from filing a new application upon curing the grounds for denial. No additional fee shall be charged for a new application filed within thirty (30) days after a denial under division (C)(2) of this section.

§ 111.13 AUTHORIZED LOCATIONS OF OPERATION.

(A) Locations. Upon compliance with § 111.09, a mobile food vendor may operate at the following locations, consistent with 63 O.S. § 1-1150 (C):
